

**Smith College**  
**Department of East Asian Languages and Cultures**  
**Japanese Language Placement Exam (2023-2024)**

**\*PLEASE COMPLETE STEPS #1-4 BY MONDAY, AUGUST 14, 2023 11:59pm (EDT)**

Students arrive at Smith with differing language experience and proficiency, so there are several entry points to departmental course offerings for first-year and transfer students. Students with no previous Japanese language experience should expect to enroll in JPN 110 (Elementary Japanese) in the Fall semester. Please note that Japanese is taught in a year-long sequence, so JPN 110 is not offered in the spring. All first-year and transfer students who have previous experience with the Japanese language will take a placement exam prior to enrolling in a departmental course in order to determine the appropriate class for their language level.

The placement exam has four parts: 1) a student placement questionnaire; 2) an online test (SPOT 90); 3) a short, handwritten essay; and 4) a 10-15 minute interview via Zoom.

**Step 1: Complete the placement [questionnaire](#)**

Please fill out the questionnaire (<https://forms.gle/sEBX1jQ8mzetSYVy6>) by midnight on **Monday, August 14, 2023 11:59PM EDT**.

**Step 2: Take the SPOT 90 Japanese language placement exam (only once, please).**

(All exams are taken under the [Academic Honor System](#). Please do not use a dictionary, textbook or other language resources during the exam.)

SPOT 90 is available online 24/7. Please take the exam when you have uninterrupted time to do so, allocating 20-25 minutes. You will also need headphones and a quiet space to work. We recommend that you take the exam on a computer rather than a tablet or phone.

Please note that this test measures your abilities in understanding Japanese. While some questions will be easy, others will be difficult. Don't feel discouraged if you encounter questions where you don't know the answer. By assessing what aspects of Japanese you are able to understand, the test enables us to place you in the Japanese class that best suits your needs.

### **Step 3: Short Essay**

Please write by hand a 1-2 paragraph (at least 10-12 sentences) essay on the topic of わたしとにほんご. Please do not use a dictionary or other resources to assist in writing this essay. This is an opportunity to show your knowledge of Japanese vocabulary, grammar and kanji. We recommend that you allocate 25-30 minutes for this part of the placement exam. Please be sure to write legibly so that we can read your handwriting. Also, please write your name in both Japanese and English in the top left corner of the page. After you scan or take a photo of your essay, submit it in PDF or JPEG file format to [japaneseprogram@smith.edu](mailto:japaneseprogram@smith.edu) by **Monday, August 14, 2023 11:59PM EDT**.

### **Step 4: Submit test results, essay and placement questionnaire**

As noted above, please submit your test results, essay and placement questionnaire to [japaneseprogram@smith.edu](mailto:japaneseprogram@smith.edu) by **Monday, August 14, 2023 11:59PM EDT**. Materials do not need to be submitted all at once but all four steps listed above **MUST BE COMPLETED BEFORE** your interview.

### **Step 5: 10-minute short interview**

Once we receive all of your materials, we will send you a link to sign up for a 10-15 minute interview, which will be conducted via video chat using Zoom. The interviews will be held between **August 17 -August 21, 2023**.

If you have not used Zoom before, please download it to your computer, tablet or smartphone [here](#). Information about how to use Zoom is available [here](#).
